## DEMOLITION PERMIT APPLICATION

**(Application must be filled out completely by applicant)**

This permit requires that the Owner and/or Contractor make arrangements to have all demolition debris removed and disposed of properly and have all gas, electric, water, and sewer lines located to avoid any damage to such lines by contacting the City of Hondo Electric and Water Departments and the local Gas Company.

*Please contact the local waste disposal company, **Alamo 1, at 1-800-322-5085** to provide roll off containers.*

**This permit is valid for 30 days only.**
